

This is a fashion blog about the fashion movement called lolita. In it I review items from other shops, as well as post outfits of my own. I enjoy discovering new lolita fashion and exploring different types of styles within the community. In this blog, you'll find everything from tutorials to outfit posts to lifestyle posts about what life is like as a lolita in America, with all its ups and downs. You can also find me on my personal website at [www.fantastic-lolita-dressup.com](http://www.fantastic-lolita-dressup.com). If you would like to submit to the blog, please email me at [kirakira17@hotmail.com](mailto:kirakira17@hotmail.com) with a style post or an outfit post, as well as a picture to attach. I will not take any anonymous submissions. You must have a name to use as an author as well as a clear picture of your face and body to attach with your submission. In addition, if you want credit for your outfit or wish not to be credited at all, tell me in the submission email before I take it into consideration for publication on my website. If you live in the United States, please contact me about being added to a local stores list. If you have a website or blog of your own and want to link up with me, email me. My email is [kirakira17@hotmail.com](mailto:kirakira17@hotmail.com). I am willing to do a reciprocal linkup if your blog aligns with mine, and I will also add your blog to my blogroll if you have one. In addition, I have started my own little community on Live Journal called "Lolita Fashion Community". I am inviting you to join if you are interested in joining a community for lolita fashion. That is where I will be posting events, meetups, and other interesting lolita-related news. Feel free to friend me there as well if you are interested in joining the community. If you ever have any questions, please contact me at [kirakira17@hotmail.com](mailto:kirakira17@hotmail.com)

I have updated my About page with some information about my blog, as well as links to other websites I'm involved with. I'd love to have you check them out if you're interested!
